

Clean Because We Care Trophy

Prevent

infections by encouraging, rewarding, and recognizing departments and nursing units who clean or sanitize their hands consistently.

Improve

morale and pride by recognizing departments and nursing teams who demonstrate infection prevention awareness.

Promote

hand-washing compliance by making this trophy part of your Infection Prevention Process Improvement.

Our Clean Because We Care Trophy can be awarded once to a single group or monthly to different departments or units who have the best hand washing or sanitizing compliance.

Units who compete for this trophy each month will work hard to make sure that it stays in their department.
